The above list of prizes are still un drawn and all but four are floating from the commencement, and as the prizes only will be drawn, most auspicious prospects are presented to early adventurers.

On the opening of the wheels on Wednesday the 24th inst. the price of tickets will be advanced to \$12, and from the unusual demand for tickets and the proposed rapidity of the drawing, the price will probably be still far-ther advanced, of which due notice will be given—Until which time tick Messra.
